

Guideline for oncologists to order the FoundationOne® CDx Test

1. Fill out FoundationOne® CDx order form and send it to the USZ Pathology

You find the order form at the website of the UniversityHospital Zurich USZ, Institute for Pathology and Molecular Pathology, Group [Molecular Tumor Profiling](#).

Please send the completed order form to the UniversityHospital Zurich, Institute for Pathology and Molecular Pathology, Schmelzbergstrasse 12, 8091 Zurich, Switzerland. (Fax +41 44 255 4552 or email fmi.pathologie@usz.ch).

2. Our FoundationOne® CDx Service

Our team at the USZ will contact your pathology for sending the tissue sample. You don't have to organize the shipment of the biopsy.

3. Analysis of the Tumor Biopsy

As soon as the tissue sample and the completed order form is in our laboratory, we start with the molecular tumor profiling. The analysis and reporting of the results will take about 2 weeks.

4. The FoundationOne® CDx Report for your Sample

The report will be send to the ordering physician. The tumor sample will be send back to the sending pathology unsolicited.

Medical professionals can contact the customer service of the Institute for Pathology and Molecular Pathology, Group Molecular Tumor Profiling.
